Manuscript '60

Dedication

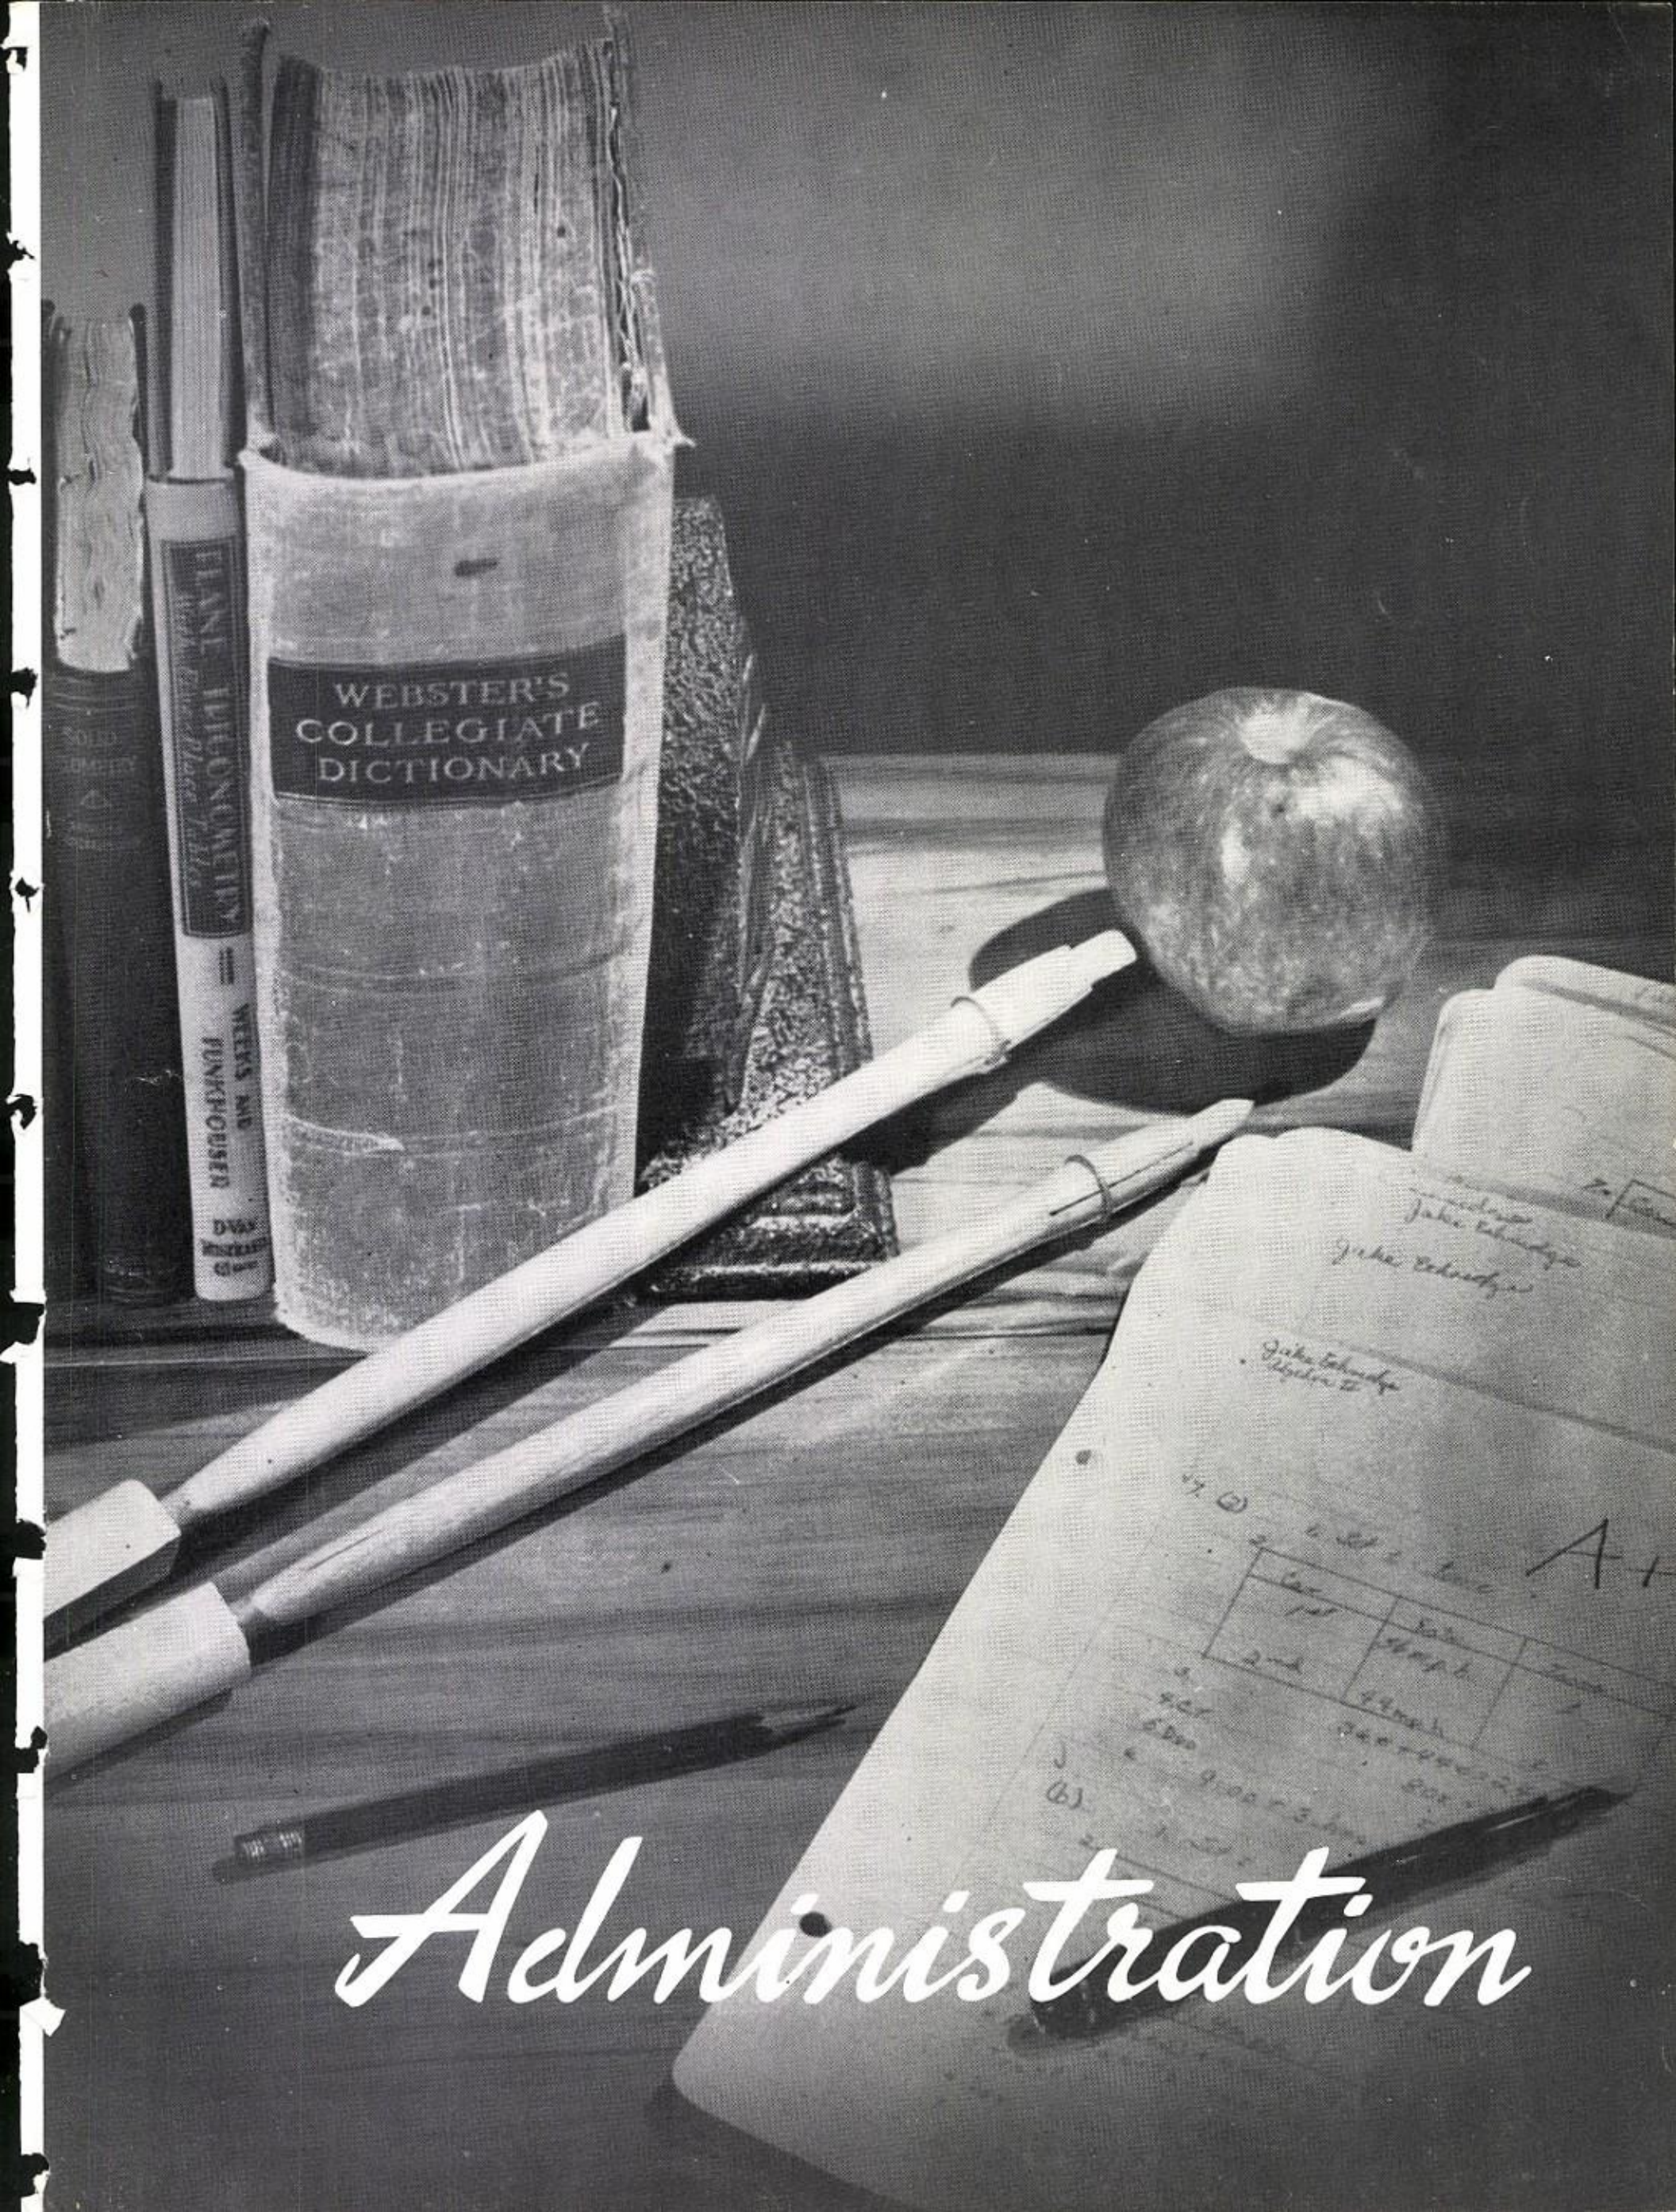

We, the class of '60, wish to dedicate this yearbook to our class sponsor and mathematics teacher, Mr. Philip Brennan.

He came to Mansfield in the same year that we entered high school and since then he has done much for our class. Together, we became accustomed to high school, and together, we entered the new school.

His wise guidance, efficiency, and firm backing have supported us through our years in high school and smoothed over a few of the rough spots.

Those of us who have been fortunate enough to have him for a teacher will never forget his patience, fairness, and understanding. We can truthfully say that he is one of the best teachers we have ever had.

Thus, to Mr. Brennan, we wish to say, "Thanks - for everything."

MRS. BLXBY

We, the class of '60, wish to thank the members of the Mansfield Joint School Board for giving so much of their time and effort to the planning of our new addition and the redecorating of the old school. You have helped make our school one from which we are proud to be the first class to graduate, and we are very grateful.

To the 1960 Graduates

May I congratulate you on your accomplishments. You have succeeded under rather trying circumstances. Last year with a building program going on you did your work well, both in the classroom and in other activities, and this year you have been very helpful in assisting the faculty to open school in the new building where many adjustments had to be made.

You will find that in life you will have to make many adjustments. New methods, new organizations, and new inventions will test your ability. So you will find that the training you have had in adjusting to new situations will probably be very important.

I wish you well, and may you ever be open-minded to the changing times. With faith in God and your fellowman you will succeed.

Sincerely,

Warren L. Miller
Supervising Principal

Principals' Messages

Congratulations to the members of the Class of 1960 upon successfully completing your High School Careers.

Your Manuscript Staff and Advisors are to be commended for this fine book which you will always cherish.

The members of the Faculty join me in extending to you our sincere best wishes. May you always enjoy happiness, freedom, and peace of mind.

What you do for yourself may start you on the way up in the world, but from there on up, it is what you do for others, that will determine the degree of success that you will enjoy. Life lived just to satisfy yourself never satisfies anybody. Confucius said, "Man wrapped up in self makes 'velly' small package."

Sincerely,

Theodore R. Besanceney

MARY ANN ANDERSON

Mary Ann, cute and dark-haired, has certainly added a spark of liveliness to our class since she moved here from Van Etten, N. Y. Active in chorus, she has done as good a job in that as she has in everything else. We predict a happy future for Mary Ann.

BARBARA BAILEY

Devil-may-care Barb is always ready for a good time, but she has still had time to be a co-editor of the yearbook, a member of chorus and band, and one of the typists of the Hi-Lights. Her favorite pastimes are skating and horseback riding. With all these activities Barb is sure to have an interesting future.

PHYLLIS BARNES

This attractive "little girl" makes up for her height through her eagerness to help and her participation in varied extracurriculars. Her personality has won her many friends while her friendly grin is sure to be seen where merriment is.

CAROLYN BOVIER

Although seemingly quiet, this young lady isn't at a loss for words. This ability helps her do her job as business manager on the Hi-Lights. All the girls admire her wardrobe which is a product of her sewing ability. Her needle keeps her in the height of fashion.

DONNA BROWN

This vivacious miss has been a welcome addition to our class since she came in her sophomore year. One can usually find her working at the Dairy Treat in her spare time. Full of fun, this girl has brightened many a grey day with her sunny smile and warm personality.

ELAINE BRYANT

Her smile has a way of appearing whenever she sees a friendly face. She has the grace and poise that every young miss would like to possess while her ability to get a job well done will make her an efficient person in her chosen career.

PATRICIA BURNHAM

"Rings on her fingers, bells on her toes, Pat will have music wherever she goes," as a twirler for the band, that is. Pat is also a cheerleader and a member of the chorus. With her winning personality and friendly smile, she is sure to be surrounded by friends all her life.

YVONNE BUTTON

Yvonne joined us last year and has added many talents to our class. Most of them pertain to the musical field; many to her well-rounded personality. She is cooperative and friendly to all, still she shows a yen for leadership. We wonder, "Will she hum over a recipe book or in a classroom?"

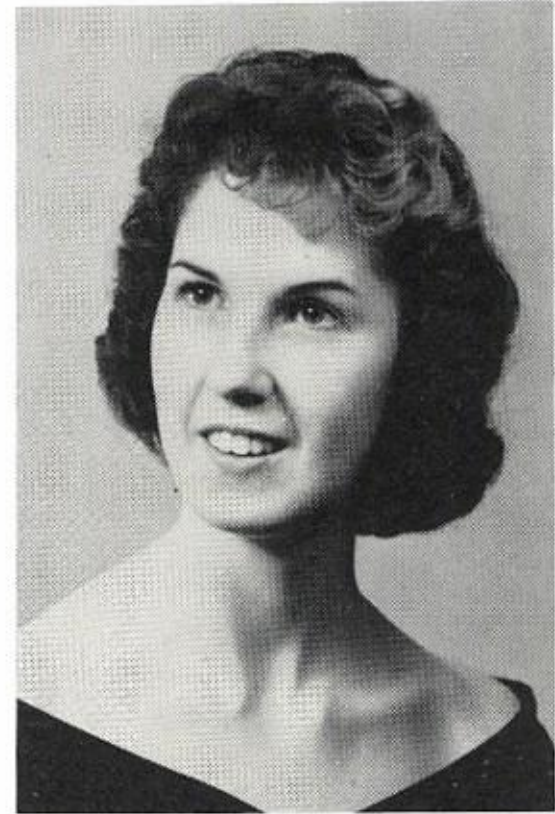

BONNIE CLEVELAND

Sincerity and friendliness are two of Bonnie's chief traits. She represented our school at the Ole Bull Music Festival. Her skill in typing has been proven by her work on the yearbook and Hi-Lights. She is sure to find happiness in whatever she does.

ROSAMOND CLEVELAND

Soft-spoken Rosamond makes every word count. Whether her job is being co-editor of the yearbook, head typist on the paper, or manager of the magazine campaign, she takes it in her stride and does it to the best of her ability. Rosamond's efficiency will take her far in her career as a secretary.

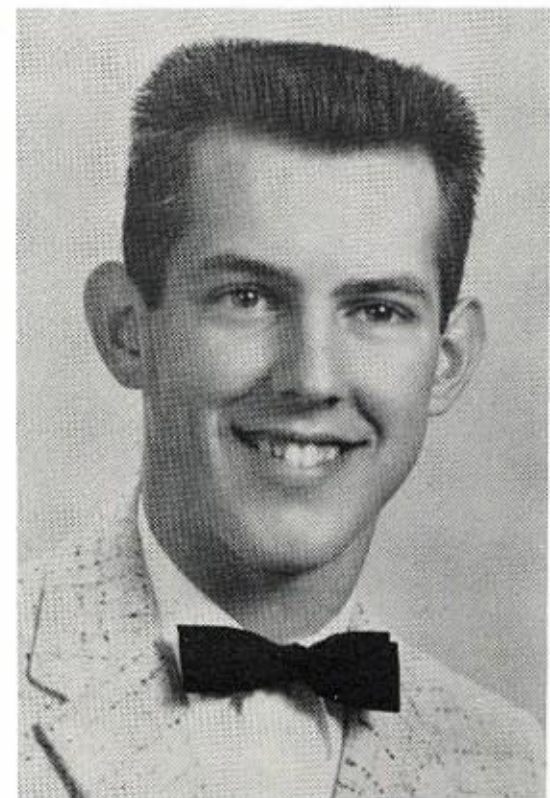

GARY COOK

This friendly, easy-going guy is our Student Council President. He can often be seen lending a helping hand in his father's store or driving his Ford through Mansfield. His "likability" has been shown by the fact that he was chosen a representative to Boys' State and President of the Sophomore Class.

EARL COURTNEY

Nice, that's what Earl is. From his flashing smile to his nimble fingers as he strums the strings of his guitar, Earl is one of our classmates who has a bright future already started. As proof, you can look out your window anytime and see a beautiful blue and white Ford go by.

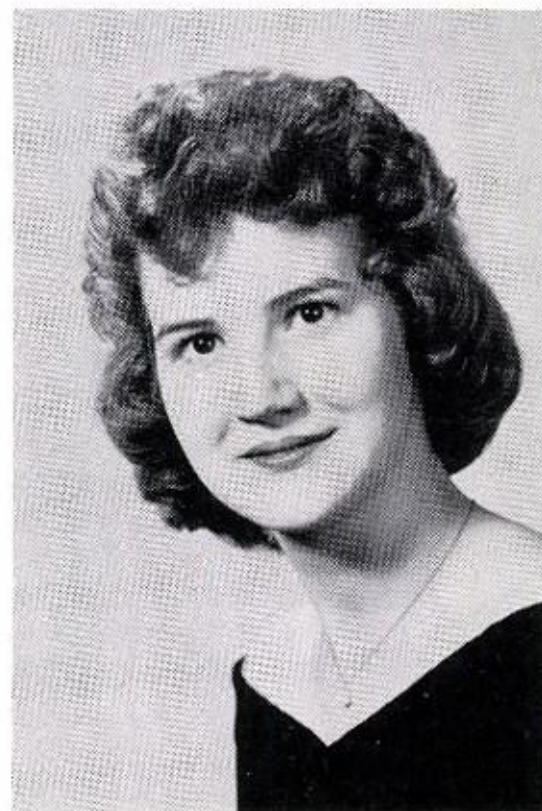

DONNA COWLES

Friendly Donna has probably seen more "odd scenes" around school than anyone else - she was head photographer for the yearbook! She has given her support to the Hi-Lights by typing. We are sure that she will do as good a job in the future as she has on her activities.

SANDRA CRIPPEN

A hearty laugh breaks the silence. Who is it? Sandy, of course. She loves to have fun, but finds time for most of it outside of class. Concern and respect for others are two of Sandy's many assets that, together with pep, enthusiasm, and dependability make up one of the nicest persons to be found.

LINDA CRITTENDEN

This cute brunette has a passion for red Fords. Her quietness and attentiveness makes her a joy to have in any classroom. She's always ready for a good time and with all her winning ways, she can't help but have success.

DONNA CROSS

When you hear the thump, thump of the basketball, you know that Donna, one of the fast moving, energetic athletes of our school, is around. In contrast with her strong physical characteristics, Donna was given the mild mannered and "grin and bear it" attitude toward life. Much luck and happiness is hoped for this girl of many talents.

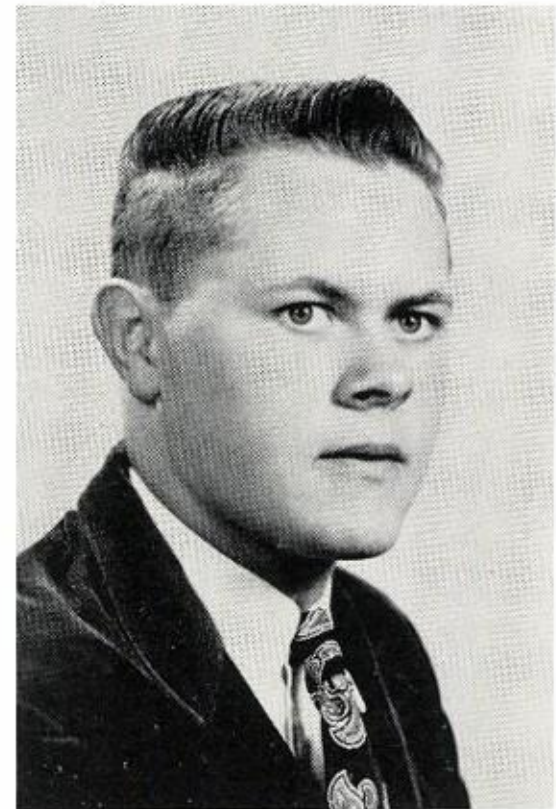

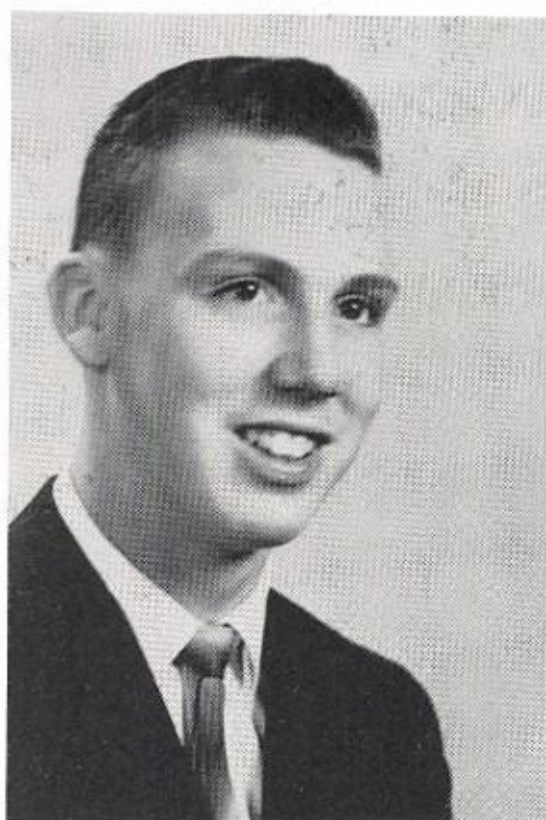

ALAN D. CUMMINGS

This dark-haired guy may seem quiet at times, but he can be as devilish as anyone. His trademarks are a black cowboy hat and a habit of asking questions. Alan's scholastic ability will carry him far in the future.

DAVID CUMMINGS

David is an active member of the F. F. A. and plans to be a farmer. Although he doesn't talk much, he usually has something to say when he does. We wish him happiness and success in his well-chosen field.

JOHN CUNNINGHAM

Math and science are his chief interests but he also excels in sports and other activities. His quick thinking makes John a "top" person in our class. His scholastic ability will make him a success "just around the corner."

GAYLE FOGELSONGER

Gayle has been an active member of chorus, orchestra, and yearbook staff. She may seem quiet at first, but when you get to know her, you appreciate her friendliness and sense of humor. She is capable and helpful, and her imagination adds a spark of interest to all that she does.

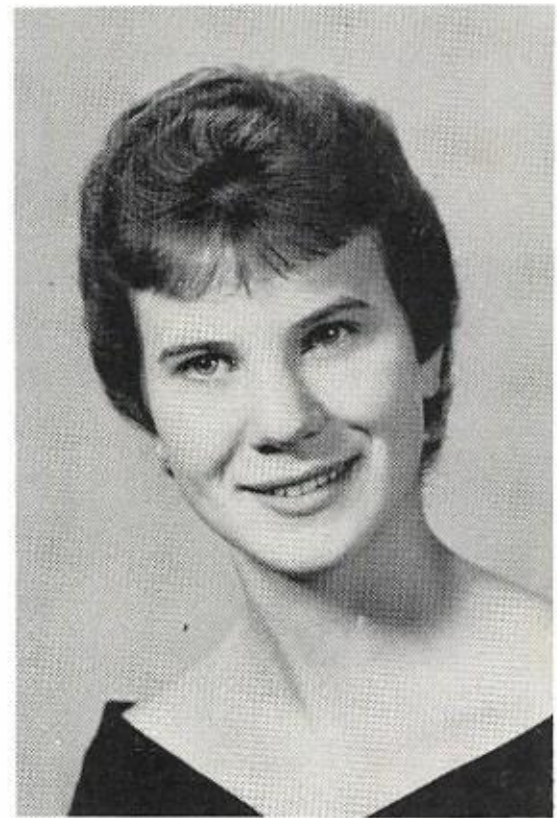

JIM FORD

Jim's early arrival at school is sparked by his desire for quiet in which to do his homework rather than love for school. His interests range from lifting barbells to making pottery in art class. His willingness to help will be an asset in whatever he decides to do.

KATHLEEN FRANCIS

Kathy's crowning glory is her curly hair. This cute miss is as proficient in band, orchestra, and chorus as she is in her studies. She represented M.J.S.H.S. in the Flaming Foliage Festival at Renova as well as at Emporium in District Chorus. Her friendliness, helpfulness, and sincerity make her a friend worth having.

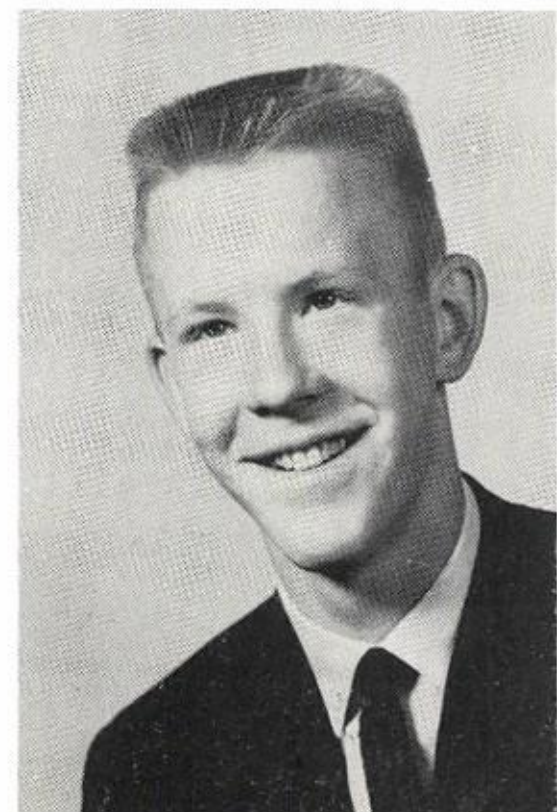

MYRTLE FRIENDS

This shy brunette came to our class in our Junior year. Her FHA training will be of great use to her in the future as a seamstress. "A friend in need is a friend indeed," describes Mert to a "T." Although quiet, her sense of humor adds sparkle to everyone near her.

HAROLD GEARINGER

When that streak slows down, you will probably discover that it is red-headed "Hap" playing basketball. Ever since his arrival here last year, Hap has been a welcome addition to our class. He will surely be welcome wherever he goes.

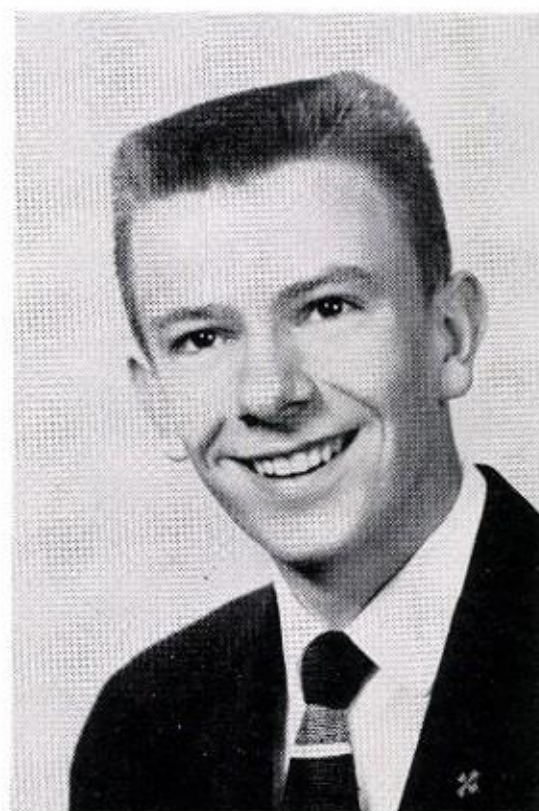

DIANE GILLESPIE

Blond-haired "Di" has intelligence as well as beauty. Her popularity is shown by the fact that she was chosen as secretary of the Student Council. She is also active in chorus, on the Hi-Lights, and on the yearbook staff. Diane is certain to have happiness wherever she goes.

LARRY HAGER

"The likeable guy with the friendly smile." Larry excels in athletics whether it's playing a game or showing sportsmanship. His dependability has been an asset to our class. He shows an eagerness to gain knowledge that makes success "just around the corner."

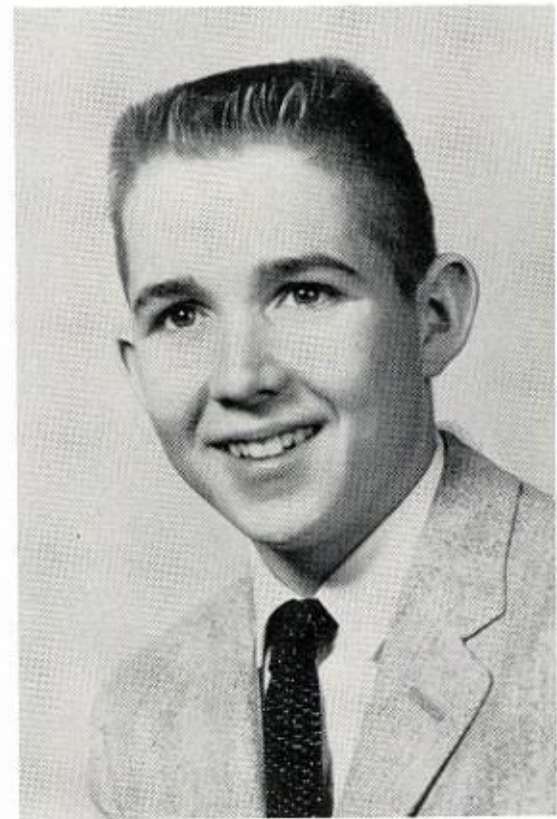

DONALD HARRIS

Don, a dependable member of our class, is going to be a scientific farmer. His humor and throaty chuckle are a joy to those around him. Weekends find him "rolling" his time away at the skating rink. Much success and happiness is ahead for this thoughtful guy.

GARY ISAACSON

Our cute "Ike" is a fount of energy. His good humor is an asset in everything he does. As a member of the F. F. A. he was chosen as parliamentarian and representative to the Student Council. His enthusiasm and interest are sure to spur him on.

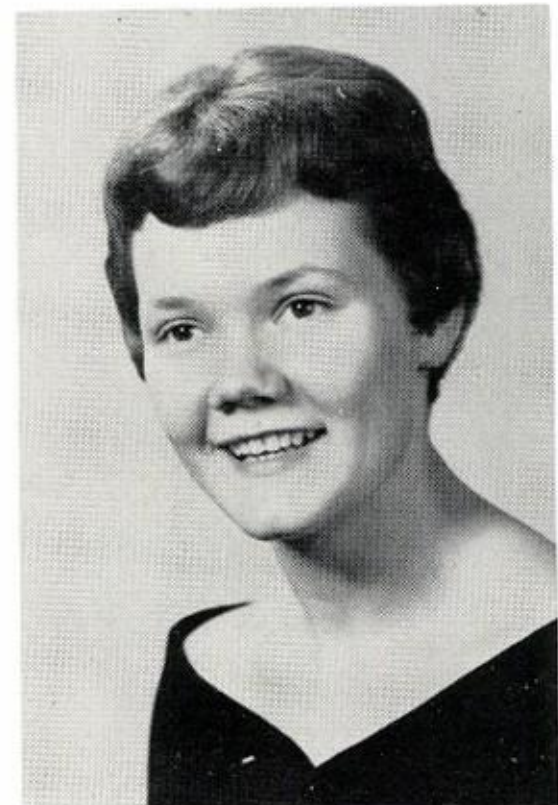

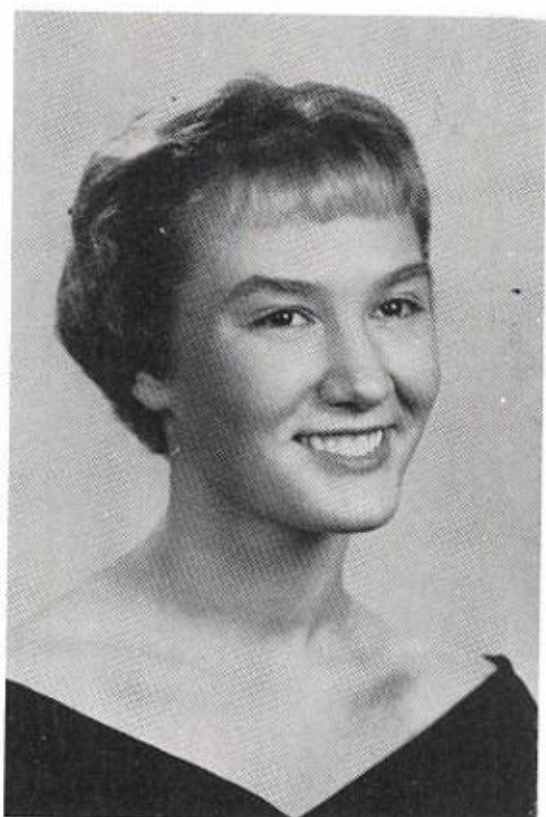

GENE JACKSON

This guy is another member of the F. F. A. In fact, he is corresponding secretary of the Mansfield chapter and demonstrated his skill in a tractor driving contest as well as playing on the F. F. A. basketball team. We wish him health and happiness in his chosen career.

PATRICIA JONES

Persistent Pat always finishes what she starts. This has been proven by her work as one of the editors on the Hi-Lights. Her cheerful laugh has livened up many a class. Pat plans to go to M. S. T. C. to become a teacher. With all this, she is certain to have a bright future.

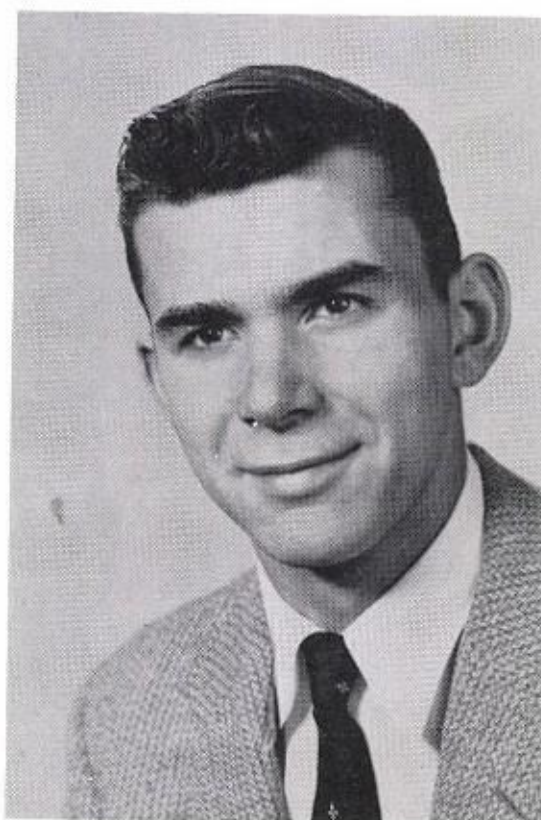

BEVERLY McELWAIN

Her sincerity and friendliness are apparent at all times and she is always willing to lend a hand. She was a chairman of the magazine campaign and a member of chorus for three years. Her quiet assurance will carry her far in the future.

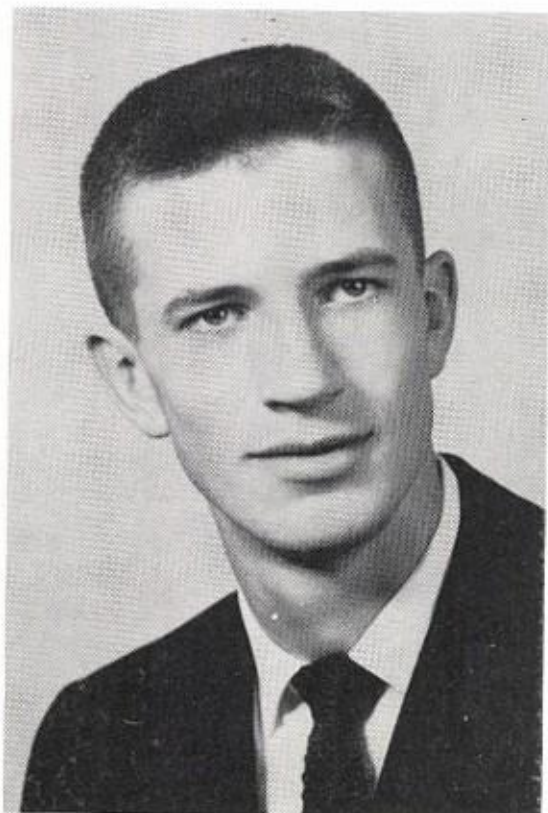

KENNETH MARPLE

Ken moved to Mansfield in his junior year and has added much to the school by serving as a representative to Student Council. His seriousness and concentration make him a good student and he never accepts anything unless it can be proven. He will meet with great achievements.

RICHARD MILLER

Our top magazine salesman is also tops in sports, too. He has also been active in chorus and on the yearbook staff. His friendliness and variety of abilities are certain to carry him to his desired goal.

DARWINA NEAL

If you hear a hearty cheer from the crowd, no need to guess twice - you know Darwina is cheering her favorites, the Tigers, on to victory. Her activities are second only to her scholastic ability. With her variety of interests Darwina is sure of a busy future.

NANCY PAGE

This pert little miss adds a certain something to every class she attends. Her peppy cheering at basketball games shows the enthusiasm which she displays in everything she does. Her activities vary from typing for the Hi-Lights to singing in chorus. We know that with all of her winning ways, Nancy will be sure to succeed in everything.

PATRICIA PALMER

Tall, graceful Pat is a whiz on the girls' basketball court. She has been a member of chorus during her three years in high school. Pat is lucky enough to have a car of her own. She is bound to have happiness in her life.

LOIS PATTERSON

Peppy Lois is interested in many things. In fact, her versatility is shown by her sewing ability, membership in chorus and 4H, and her unfailing support to the Pep Club. Lois' sincerity, friendliness, and capability assure her of a happy and successful future in whatever she wishes to do.

HELEN PENNO

Helen's happiness is shown by her nickname "Hap." She has done as good a job in chorus, in pep club, and on the Hi-Lights as she has on the lay-out staff of the year-book. Often seen driving a grey Pontiac, Helen is usually ready to go. She will always be eager to do something new and different.

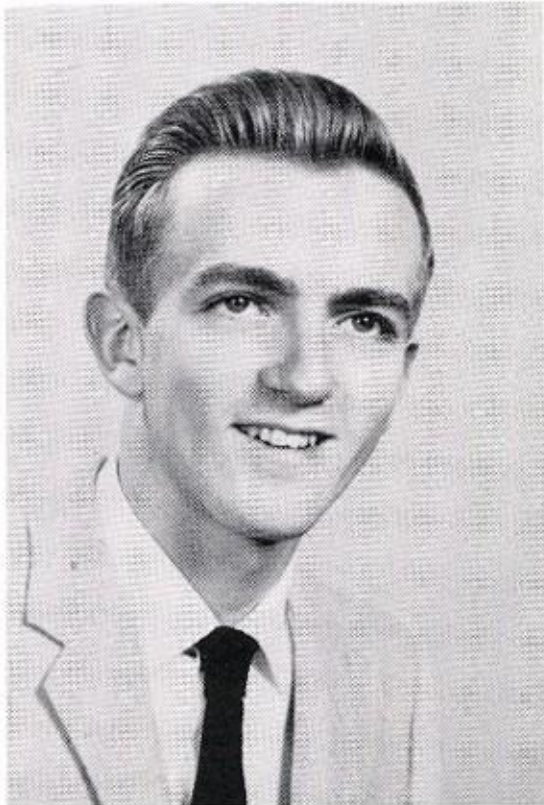

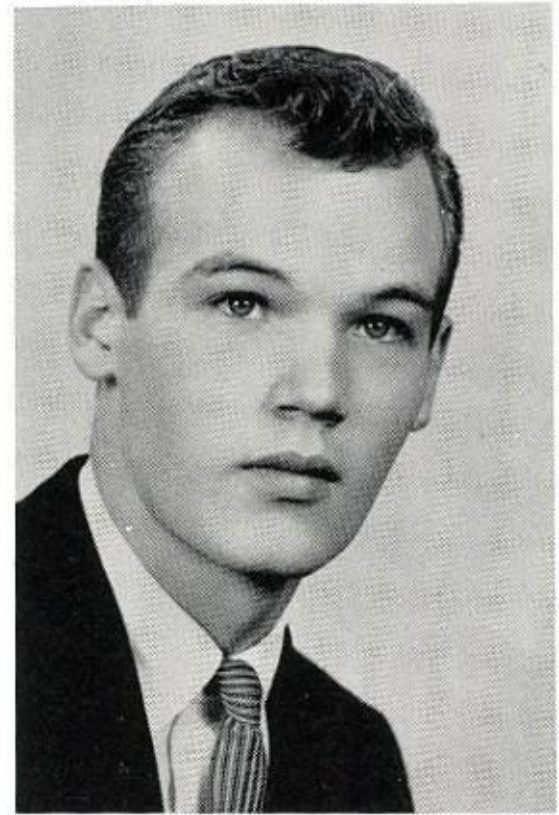

RONALD PHIPPEN

Ron moved away from Mansfield a few years ago, but he came back for his senior year. A welcome addition to every class, he is always interested in what he is doing whether it is schoolwork or cars. We hope he will be happy in his chosen career as a farmer.

JACK PUTNAM

This year we have had the unusual luck to add such a nice looking, as well as honor student, to our class. Although we have not had time to really know Jack, we have noticed that his quietness in school is quite in contrast to his devilish character outside. He has all the signs of becoming a number one success.

RONALD ROGERS

Neat is the student, Ron is his name. Wherever he goes, he's still the same. Ron's infectious laugh is disguised by his polite and serious manner. Interested in cars and radios, he intends to enter the army. We wish him luck in his future plans.

BEVERLY ROUPP

This commercial student can "type a mean key" as has been shown by her work on the Hi-Lights. "Rip" can adapt to a situation whether it requires seriousness, imagination, or a zest for life and do it well. Success and happiness are sure to follow her in her career as a secretary.

DONALD ROUPP

This cute guy almost always attracts the new girls. How does he do it? Maybe he gets tips from Bev, his sister, or maybe he's just lucky. Aside from girls, he is interested mostly in cars. But whatever he does, he is assured of a successful future.

ROBERT SEIBERT

Originality is our Bob. His humorous stories have brightened many a Hi-Light reader, while his ready wit has a way of popping up at the most unexpected times. Bob has done a good job as co-editor of the paper as well as being a National Merit Scholarship finalist. This man of the world will get what he wants from life because he knows what he wants.

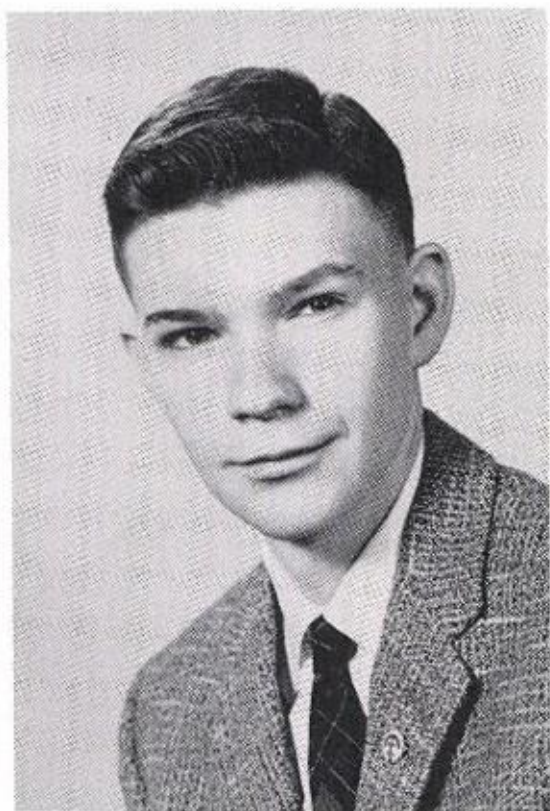

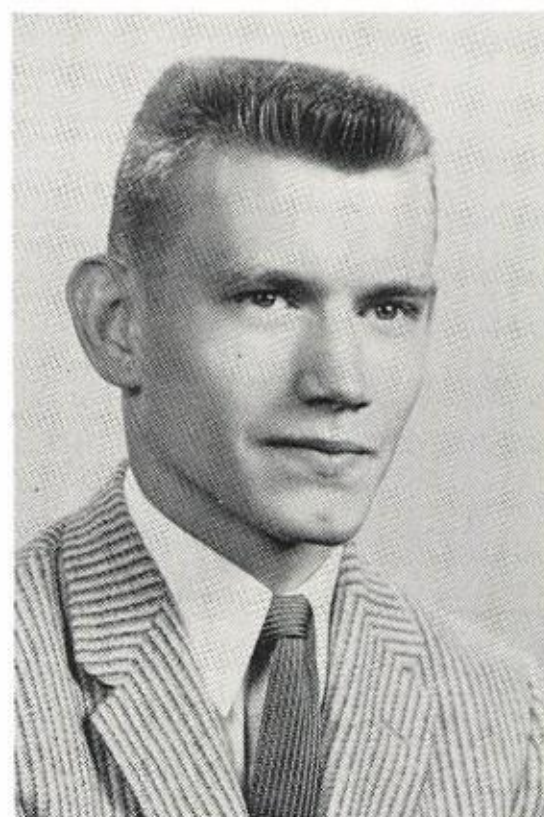

NANCY SHAW

Nancy has a serene quality which adds a tranquil air to those around her and she is always ready to give a friendly smile to anyone. She has been active in chorus and on the Hi-Lights. We wish the best of everything for Nancy in her plans for the future.

RICHARD THATCHER

"From tapping the ball, to tapping the drum, That's our 'Thatch,' A lot of fun."

His eagerness for a good time, coupled with his desire to get a job well done makes him one of the best liked guys in our Senior Class. We predict a bright future for our capable class president.

BRUCE TOOTHAKER

Behind those quiet eyes, there lies a mind of "plotting deviltry" which is hidden beneath the scholarly achievements of this future farmer. Bruce will long be remembered by his entertainment in school as well as out.

LORRAINE TOWNSEND

Peppy, cheerful, and friendly are only a few adjectives that describe Lorraine. Her spirited cheerleading is an asset to every basketball court. Singing in chorus is one of her favorite pastimes. She can always be found lending a helping hand, even at Cleos', where she is getting experience for her chosen career.

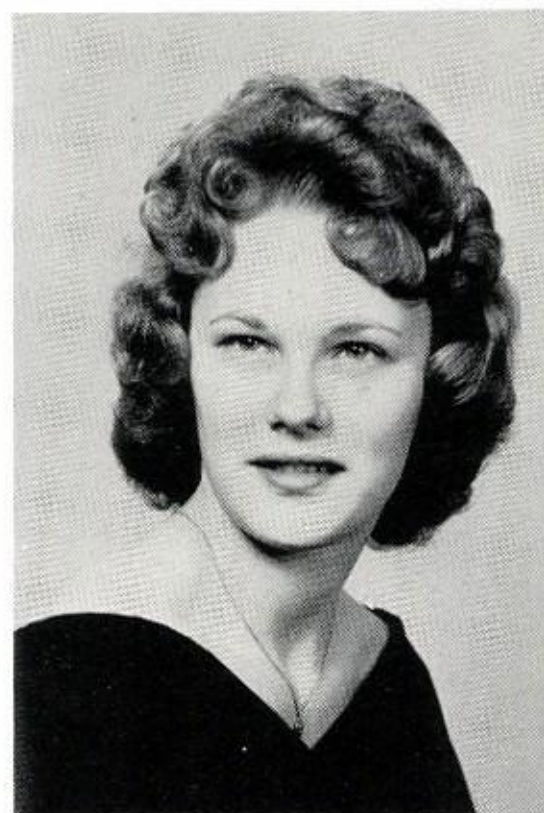

DONALD TROWBRIDGE

This tall, dark guy is a whiz at math. His trombone playing has been a real help to the band while his friendly smile and blue and white Mercury have caught the eye of many a girl. For him, success should be easy.

RITA WAGNER

Tall, slim "Reet" always looks as if she has stepped out of a fashion magazine. Her interests center outside of Mansfield, but she has still worked as one of the art editors on the paper and has sung in chorus. We wish her luck in her plans for the future.

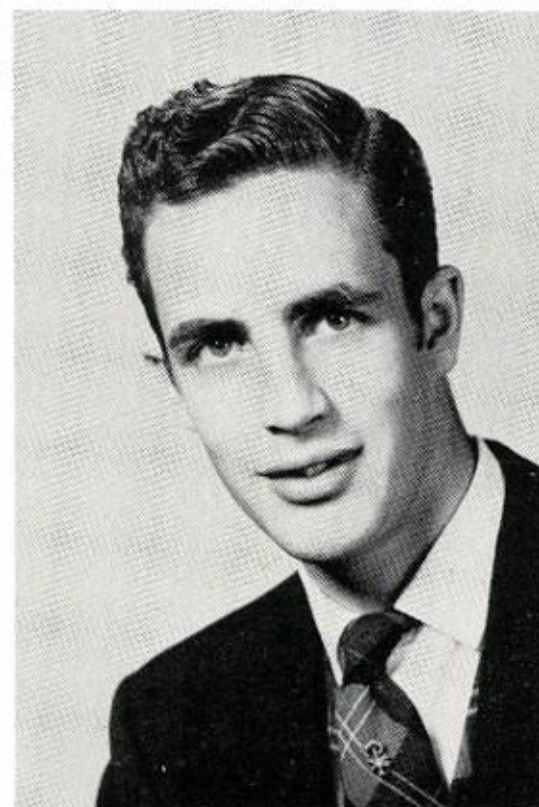

BRUNO WALLENBURG

Bruno's inquiring mind probes into anything he does. Talking and telling jokes are two of his favorite pastimes. He can often be seen carrying or working with a piece of electrical equipment. Bruno's success is assured by his abilities and quest for knowledge.

F.H.A.

An important part of the homemaking program in the high school is the Future Homemakers of America. The motto of Mansfield's Little Women's Chapter is "Toward New Horizons." This serves as a guide for us to live today so that we will be better citizens and homemakers of tomorrow.

F.F.A.

The Future Farmers of America is a national organization of farm boys who are studying vocational agriculture.

Founded in Virginia in 1928, the organization has grown rapidly until there are almost 400,000 members in every one of the 50 states. It is the largest organization of farm boys in the world.

The Mansfield Chapter is one of the oldest and most active of the more than 300 F.F.A. Chapters in Pennsylvania. Since the Mansfield Chapter has been chartered in 1932, there have been a large number of boys who received training in farming and rural leadership and are taking their places among the progressive farmers in the community.

Senior Prom

Everyone who attended this year's Senior Prom was transported to New Orleans for a "Southern Ball." Brightly colored crepe paper formed the canopies of sidewalk cafes, and candles glowed on the cozy tables for four which were scattered around the edges of the floor. Flower-decorated arbors and a lighted wishing well completed the fantasy of the theme.

Kathy Francis, escorted by "Hap" Gearing, was crowned queen of the prom by Senior Class President, Dick Thatcher.

Music for the Southern Ball was provided by "The Kents" from M.S.T.C.

COACH TOCCI

The Mansfield Tigers, under the leadership of Coach Tozzi, produced a winning season again in 1959-60. The Blue and Gold played fine ball and had compiled a 10-7 record with one game left to play. The club had several tough losses including a heart-breaking 54-53 decision to Wellsboro. This year's record was as follows:

M. H. S.	OPPONENT	
35	Towanda	56
42	North Penn	30

The 1959-60 edition of the "Tiger Cubs" produced a good record. Coach Evans' team proved themselves to be one of the most exciting clubs in recent years. The Cubs lost two decisions by one point and won four contests by two points or less. With one game remaining to be played their record was as follows:

M. H. S.	OPPONENT	
30	Towanda	34
17	North Penn	13
15	Towanda	27
32	Elkland	31

Mansfield started their season off by a slim win over Blossburg of 22-21. The Junior High's next win came when they trounced Williamson, 36-7. Although suffering defeats the rest of the season, they gained valuable experience that will aid them in future years of basketball. The Senior High School teams will find a fine squad of players graduating from Junior High this year and in future years.

COACH HESS

The F.F.A. Basketball team had a successful year in 1960. With seven games played, the club had a 6-1 record. Under the direction of Mr. Hess the boys have worked hard and have displayed fine spirit. Their record in their first seven games was as follows:

M. H. S.	OPPONENT	
28	Williamson	22
38	Elkland	41
43	Cowanesque	22

The 1959 version of the M.H.S. soccer team did not finish as high in the league as many fans hoped it would. The team's record of 0-1-4 was not outstanding; however, the boys did play well at times. The squad's main handicap was their inability to score. Although the team did not compile a winning record, many boys gained much experience which should aid in the soccer future at M.H.S.

Highlights of the season were a come-back victory over North Penn and a heart-breaking loss to Wellsboro.
